"TIME MAY CHANGE ME . . .
BUT I CAN'T CHANGE TIME."

DAVID BOWIE

Patti.

To a real nice girl in Art, Math, History + Biology. Never forget the wonderful art class with Bonny and those exciting notes. And then there's Cunjy - I'll never forget him. Good luck in all you do

God Bless George

P.S. Hope you get done with the rug.

Windber Area High School

Windber, Pennsylvania, 15963

Volume 76

From first to twelfth, through spring, winter and fall, the class of '78 has traveled together through the halls of school making friends and sharing experiences. Throughout these twelve years, changes have taken place all around us; in ourselves, our classmates, and in our environment. All of these have affected our lives in different ways. Some of these changes have been so gradual or so complex that they weren't noted until the change brought about unique and new differences. We can't say that all of these changes have been pleasant, but it was these changes that developed each of us into distinct individuals, creating our own values, morals and beliefs. And now as we graduate from high school, still another change is to take place, perhaps the most important of them all. It is now that we decide what we are going to do with our post school lives. With this in mind the Stylus Staff presents to you the 1978 yearbook built around the theme of changes. We hope you enjoy it and that it will hold many memories for you in years to come.

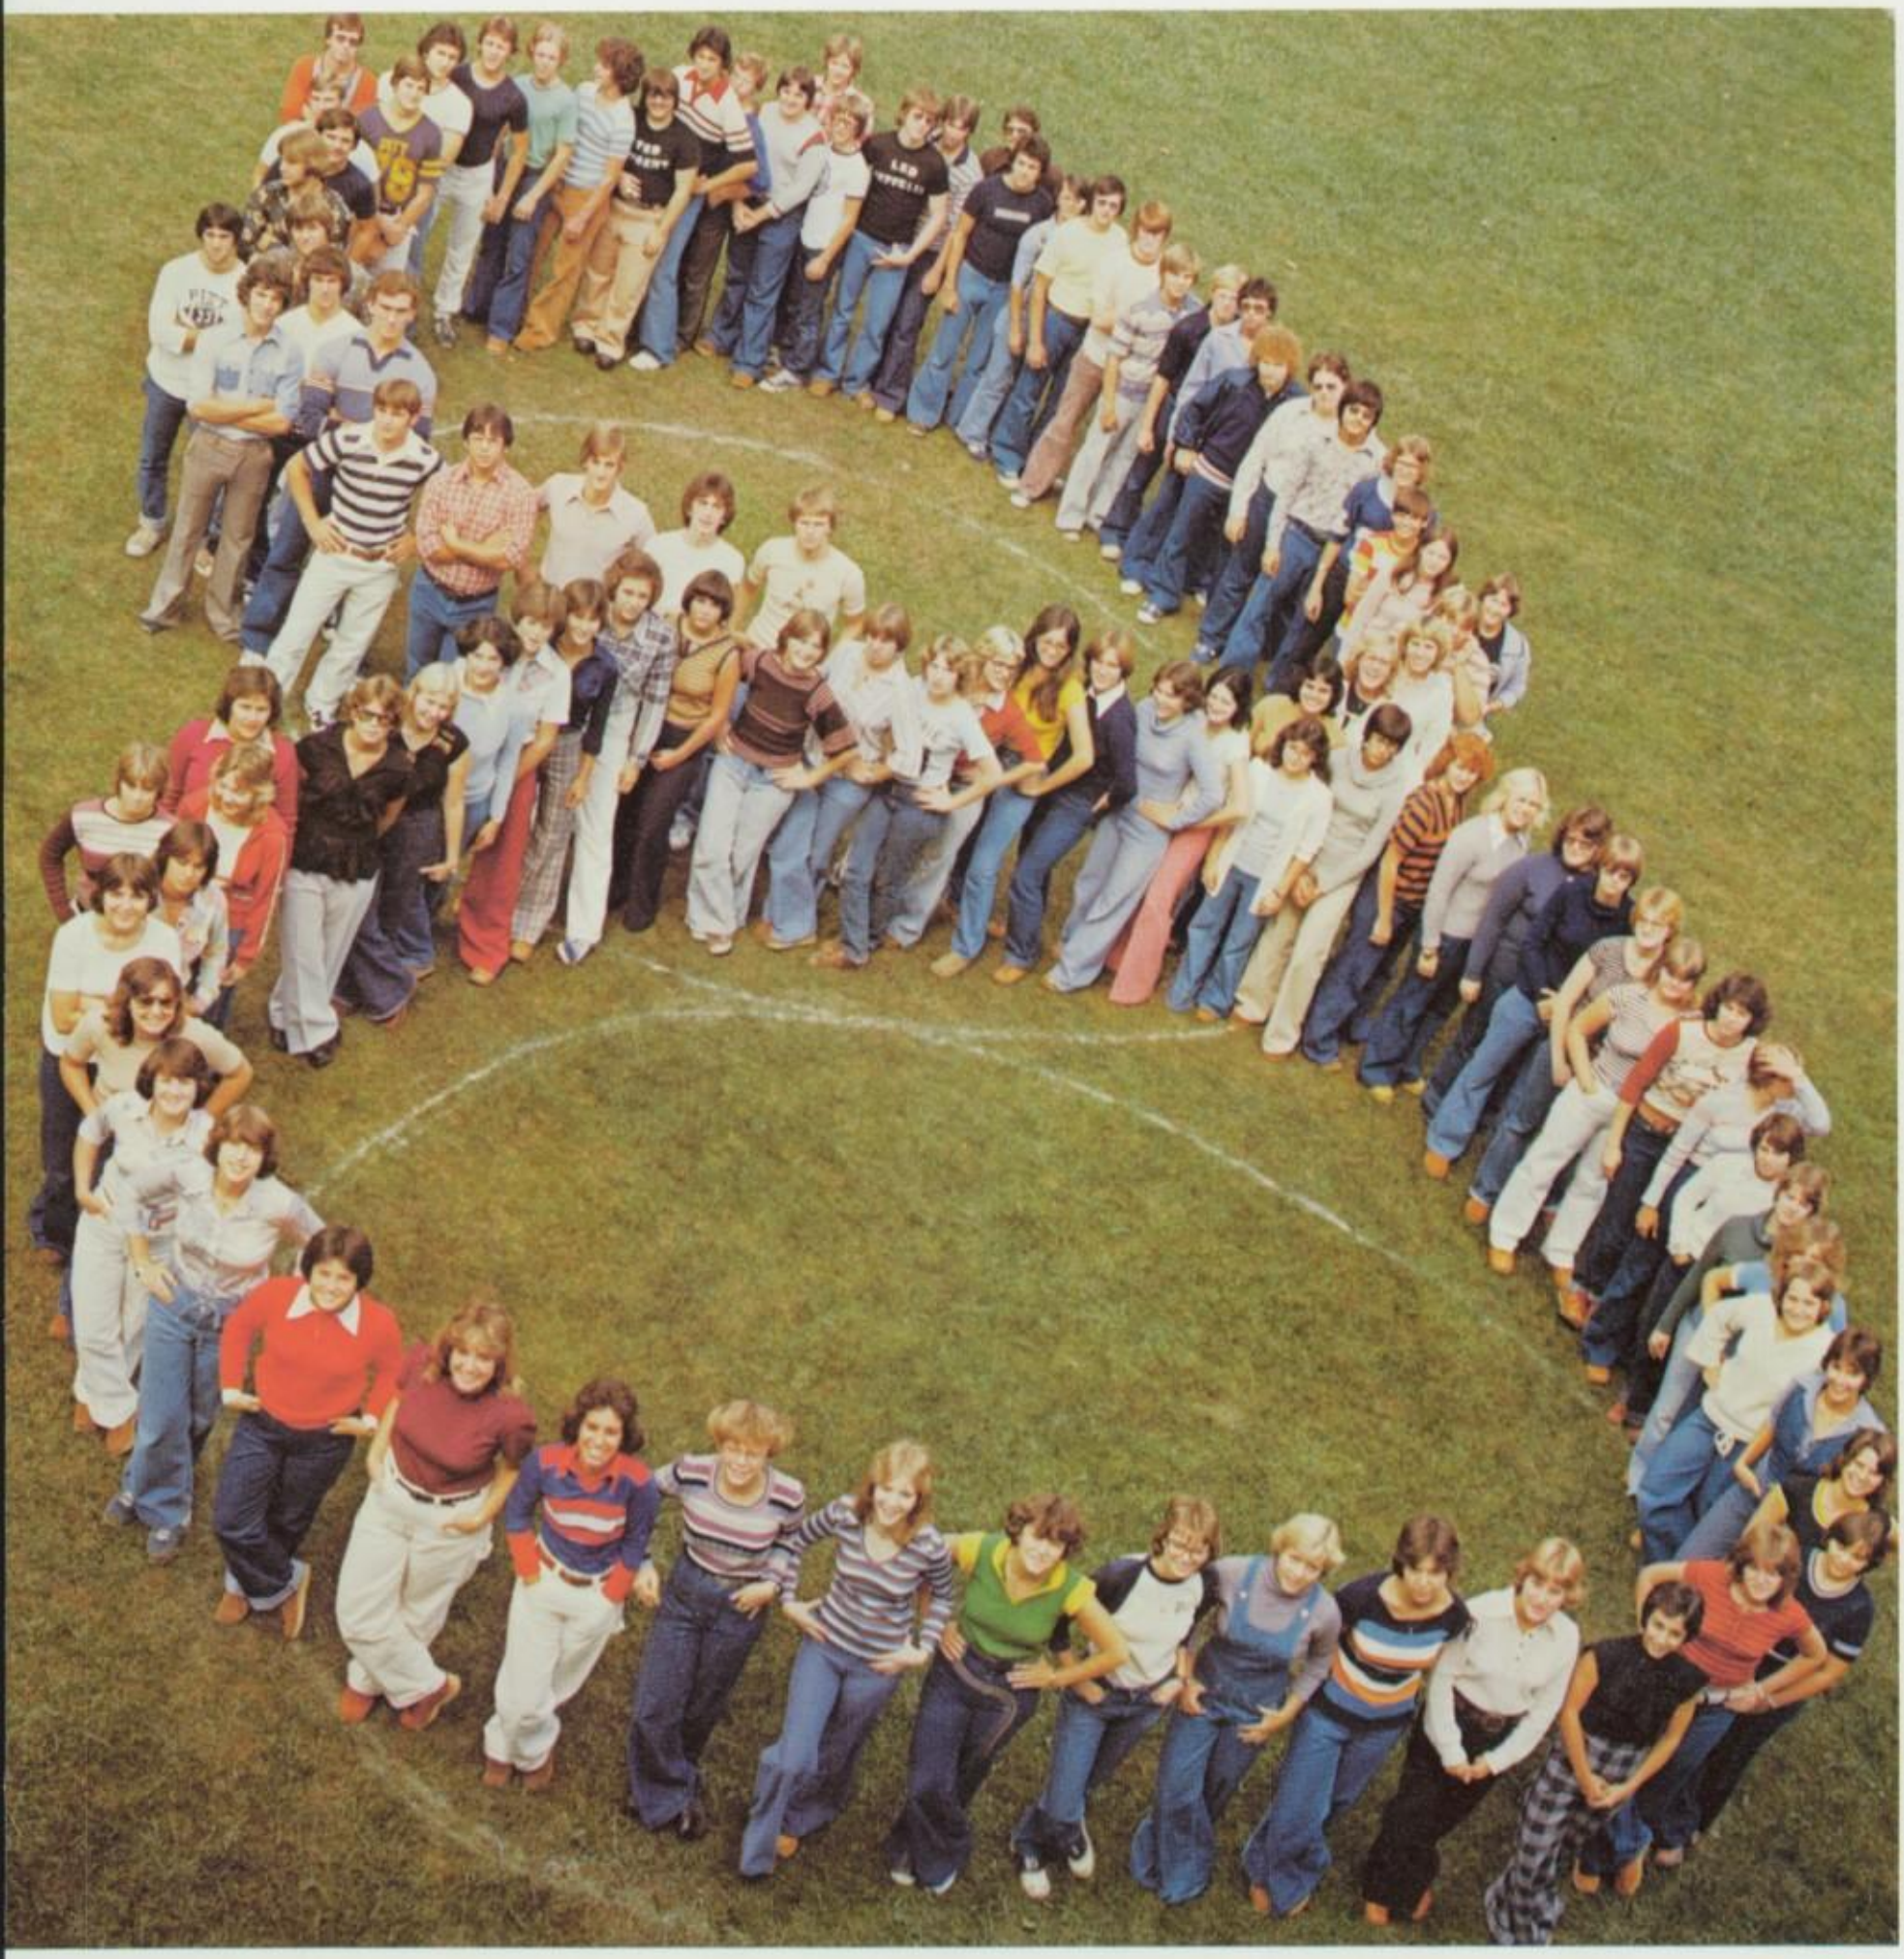
Class of . . .

"Precious and few are the moments we two can share. Quiet and blue like the sky I'm hung over you."

Many tears and lots of laughter fill our high school memories:

. . . getting lost in the halls during our first few days of our seventh grade year . . . trying to find the cafeteria and ending up in the library . . . going to those fun seventh and eighth grade skating parties . . . dodging initiators the summer before our Freshman year . . . holding our first semi-formal class dance . . . studying the stars . . . learning how to do our first research paper . . . holding a Valentine Dance and choosing Brenda Damico and Jim Finella as Queen and King of Hearts . . . holding a magazine drive to help with expenses for our class activities . . . sponsoring a Junior-Senior Prom at the Elk's Country Club . . . the first day of our Senior year . . . parties . . . banquets . . . the Senior Dance . . . Homecoming . . . Senior pictures . . . selecting a class council and officers . . . all the studying we did . . . and finally Graduation



Day!

Yes, the "CLASS OF'78" is truly a GREAT class.

Throughout all this we were being prepared for the days that followed our graduation. Some of us will go on and further our educations while others will find jobs. Whatever our plans, one thing is certain ... we will be independent beings. We will no longer be able to rely on someone else to do our work for us. Scared? Yes, we all are, but we will go onas those before us have. We will make new friends and challenge new obstacles. We will travel new ... roads. "And if I can't find my way back home, it just wouldn't be fair. Precious and few are the moments we two can share."

... for our high school days are over ... don't forget them, but treasure them. They are "PRECIOUS AND FEW."

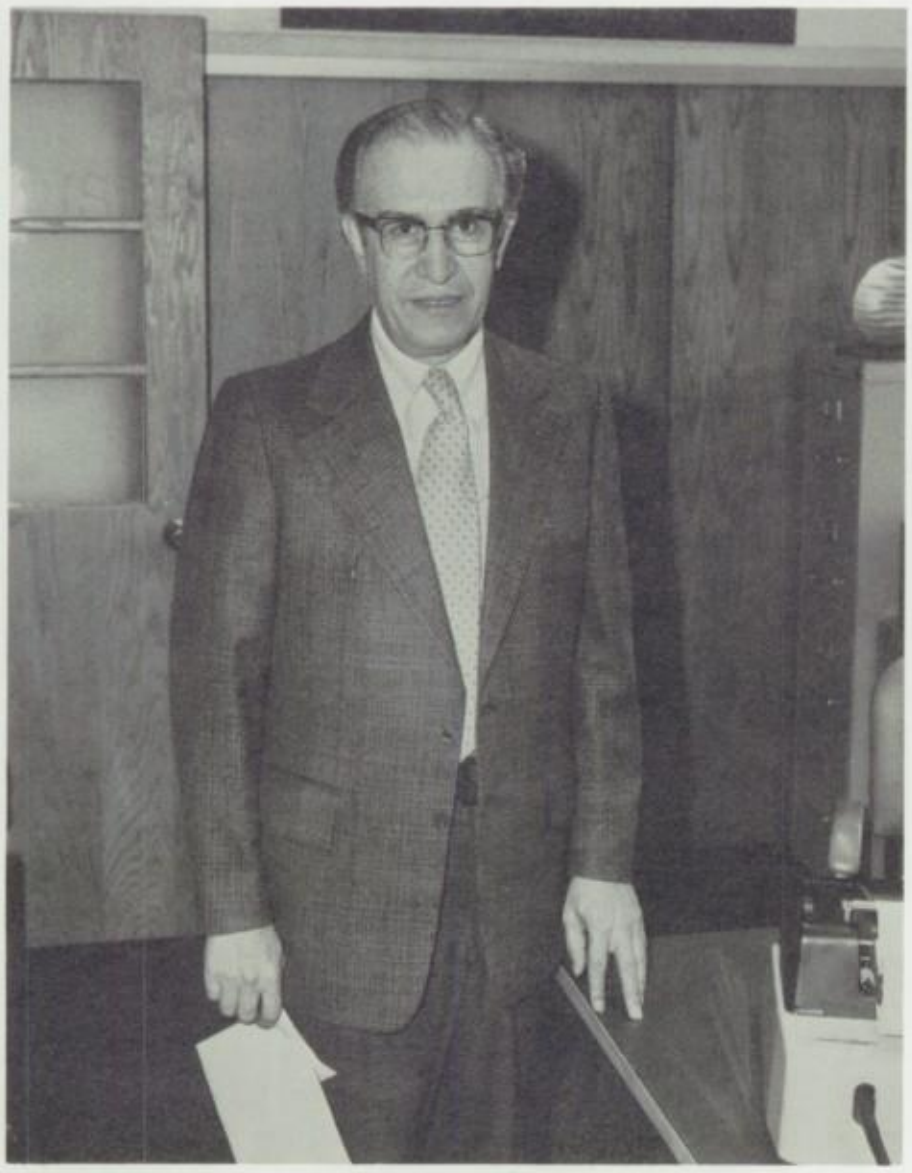
FACULTY, SERVICES ADMINISTRATION

Dr. Charles A. Landis – Superintendent of Schools
B.A. – Ohio Wesleyan University
M.A. – Syracuse University
D.ED. – Penn State University

TO THE CLASS OF 1978:

Perhaps more than any other single event in your life, the receipt of your high school diploma represents entrance into the adult world. Whether you continue your education or immediately enter an occupation, you will have increasing responsibilities for the maintenance of our society. During your days at Windber Area High School, my hopes are that you have learned that personal involvement is the cornerstone of our democratic way of life, and that you have been given the tools to help you make wise decisions in the presence of a complex and rapidly changing world.

On behalf of the Board of Education, faculty and administration, I wish you sincere happiness and success in your future years and I thank your for your contributions to your school.



Frank P. Alcamo – High School Principal
B.S. – Indiana University of Pa.
M.ED. – Pennsylvania State University

The position of principal requires a person who not only maintains the high standards of education, but also possesses the qualities of integrity, leadership, responsibility and authority. At Windber we are fortunate to have such a man as our principal, Mr. Frank P. Alcamo.

In his continuing service as principal, Mr. Alcamo has shown that the student body and faculty can rely on him in matters concerning the school. Mr. Alcamo goes beyond his administrative duties. He is involved directly with us, the students, in our activities and achievements. He is respected as an advisor and a person in whom the student can trust.

This is Mr. Virgil Palumbo's second year as assistant principal. Though his day-to-day experiences with the students, Mr. Palumbo has shown his dedication to the school as well as his desire for fairness. Mr. Palumbo has proven to be a capable administrator and we can depend on him to keep the school operating smoothly in the event of Mr. Alcamo's absence.

The Tuscareka Chapter of the National Honor Society is maintained at Windber. It is made up of Seniors who have proven themselves to be the best academically. It is one of the few groups that you must continue with a high standard of achievement to belong. Other attributes of the members include leadership, service and character. The main event of the year for NHS is slave day. For a mere pittance, 50¢, students can hire the talents of the slaves for classroom work. This year, Slave Day was held December 14.

This year's D.A.R. Award Winner, John Statler, was chosen by the Senior Class and faculty. He was judged for the following qualities: leadership, patriotism, service and dependability.

Senior High

During the past five years, the music program at Windber has excelled tremendously. From this has emerged one of the top marching bands in the East. The Windber Area Marching Band has become known for its excellence not only in Central-Western Pennsylvania, but in other states also.

The band in blue and white has done half-time shows at football games, local parades, and exhibitions, all of which have been to the delight of the audience. But Mike's Music Makers, or the 3M Company, shines best when in competition.

The determination and ambitions of the band can be seen in its many trophies and honors, including: first place at the Buckwheat Festival Parade, Kingwood, W. Va. (1977); first place at the Appleblossom Festival Parade, Winchester, Va. (1977); first place at the Preakness Festival Parade, Baltimore, Md. (1976-77); first place, Class A, at the "Cavalcade of Bands". in Martinsburg, Pa. (1974-75-76), and many more. Surely, the Windber Band will make sure it continues its honorable streak to be Number One.

The Windber Band also consists of a Concert Band, Stage Band, and Brass Ensemble. Some band members are also chosen to represent Windber in the District, County, and Regional Bands. The Colorguard and Majorettes also compete separately during the year.

The reason for all of the outstanding performances of the band

Marching Band

leads to only one person, Mr. Mike Clawson. Directing a band is no easy task, especially when the band competes frequently. Mr. Clawson devoted more of his time and work to the band than any other person. He not only spends time wiht the band, but also makes up the shows and colorguard routines, and works with majorettes and the rest of the colorguard. He never quits until everything has been completed to near perfection.

Mr. Clawson is not alone, however, in doing all these tasks. His staff puts in very much time and effort, also. These qualified instructors do not get paid for their help. The only thing they receive in return is the satisfaction that they have contributed to a winning and spirited organization.

The Windber Band is a highly competitive band, and to compete they must travel. The Band Boosters supply the needed funds for the trips. The Boosters have shown invaluable fortitude in the many fund-raising projects that they have.

Every band member has put in long hours of practice. All take pride in the fact that they have pleased their avid supporters and fans. They know it takes 200 percent from everybody to make a winning combination. Together with Mr. Clawson and his staff, the Windber Band deserves all the recognition it has received and will receive for being Number One.

This year's Junior High Band is made up of hard working boys and girls who receive little credit. The members practice diligently and participate in local parades and have an annual concert. It is in Junior High Band where they learn the proper style of marching, discipline, and competittiveness that is essential for Senior High Band.

The Senior High Band would like to thank Jr. High for all the work they have done. Without the money raised by Junior High, many of the Senior High activities could not take place.

HEAD COACH: Joe Flori

Coming of an impressive 7-2-1 record, the 1977 Windber Ramblers faced the mighty task of retaining the fine winning tradition for which Windber has always been famous.

For the first time in about 40 years, our Coaltown gridders had no cabins to accommodate them at Camp Hamilton. The reason for this was the July 20 flood, it wiped out the cabins and kitchen facilities. So the Ramblers were put up for the two weeks at the high school and were bused to and from the camp twice a day.

Starting off with two successful scrimmages, our Windber Ramblers marched into Windber Stadium to face the quite improved Vo-Tech Spartans. The Ramblers, however, dominated the game from the beginning. A blocked punt in the first quarter set up a 70 yard touchdown pass from Dale Tomlinson to give the Ramblers a 6-0 lead. That first touchdown of the season sparked the now awesome Rambler attack. The mistake riddled Spartans could not produce a drive until in the fourth quarter while the Ramblers had already accumulated 24 points. The hometown gridders were paced by Anthony Costantino's two touchdowns and 106 yards.

The following week, the Ramblers played host to the Bishop Carroll Huskies. Although the Huskies were back with many lettermen, they seemed to be quite inexperienced. The Ramblers seemed to be able to score at will on a very shaky Carroll defense. The out come was a 41-13 victory for the Ramblers.

The third was perhaps the most important of the season as the Windber Ramblers and the Richland Rams squared off in a battle of the unbeaten.

In the first quarter, after being forced to turn the ball over, the Rams recovered a Rambler fumble and marched in for an early touchdown. The Ramblers, however, were kept alive by a 48 yard return of a fumble for a touchdown by senior gridder Chris Walerysiak. Richland again came back to score at the half to take a 13-8 lead into the locker room.

The Coaltowners came into the second half fired up and put another touchdown on the board for a 15-13 lead. Both defenses held tough in the fourth quarter and it appeared the Ramblers had the game all sewed up when a halfback pass and a long run set up a Ram touchdown in the final seconds giving Richland a 19-14 victory.

The never-say-die Ramblers bounced back the next week to hand the Bedford Bisons their first setback of the season. After an exchange of touchdowns in the first quarter, the Ramblers went into the locker room with a 8-6 lead.

In the third quarter, Bedford scored with a 32 yard scamper up the middle. The two point conversion failed. The Ramblers came right back when a Bison fumble fell into the hands of Jim Finella, and he followed some excellent downfield blocking for another Rambler T.D. The P.A.T. was good. Both Bedford and Windber scored in the final stanza with the game's deciding play coming on Bedford' extra point attempt. Windber held for a sweet 21-20 victory.

Coming off such a fine win, the Ramblers found it hard to prepare themselves mentally for a very tough team from Somerset. The Ramblers just couldn't get things going on the rain-drenched field. The

final score was Somerset 27, Windber 0.

The humble Ramblers learned their lesson, though. The next opponents would be the undefeated Indians of Conemaugh Township. Township drew first blood on a 45 yard touchdown pass. The P.A.T. was blocked by Bill Elko and the score at the end of the first stanza was 6-0. Windber came back in the second quarter with Dale Tomlinson sneaking over from 1 yard line. Windber scored again in the half and stopped another Township drive on a Ryan Frme interception.

Both teams came out of the dressing room prepared for battle. The Indians again drew blood on another touchdown pass, this one being a 20 yarder. The Ramblers came back in the fourth quarter and literally blew the Indians right out of Davidsville with a 29-point explosion. A fierce Rambler defense led by a menacing pass rush, humbled the previously unbeated Indians, 41-13.

The mighty Ramblers now had some momentum going for them as they prepared to meet with rival Westmont at Windber Stadium. The Ramblers were surprised by a quick Westmont touchdown of 67 yards. Windber came right back with a quick touchdown of their own to set the score at the end of the first quarter at "6" apiece. Both teams exchanged touchdowns in the second quarter to set the score at 14-13 going into the locker room.

The second half, however, was all Windber. The Ramblers sparked by a 31 yard pass reception by Tony Ferrante, drove down to the goal line and finally scored from the one.

Both defenses then held steady until the fourth quarter when the Ramblers scored on a 67 yard halfback pass. The final score was Windber 28, Westmont 13.

Windber just could not seem to hold together in the eighth game of the season against Bishop McCort. The Ramblers had a very fine first half carrying not only a 7-0 lead, but also the lead in offensive statistics.

Still, the fired up Crushers seemed to be to much for the Ramblers in the second half as they managed touchdowns of 67 and 12 yards to put the Ramblers away 14-7 for their third loss of the season.

As the ninth game of the season approached, the Ramblers seemed to be a little worried since they had to fill in three spots due to the loss of starting seniors Bill Elko, Anthony Costantino, and Chris Walerysiak. These spots were filled quickly, and the Ramblers really got things together against the Forest Hills Rangers with Dave Wozny leading the defense with 13 tackles.

Then led by a pair of underclass backs, the Blue and White Machine scored touchdowns of one three yards. Forest Hills came back to score late in the half to set the score at 13-7 at the half.

The Rangers scored again in the third quarter to tie the game up at 13-13. The Coaltowners came roaring back in the fourth quarter with a fine drive which was kept alive by Tony Ferrante's 16 yard reception. A three yard plunge up the middle capped the scoring for the night. Windber revenged their setback of a year ago with a 20-13 victory.

The next week was quite an emotional one for the Ramblers as they made preparations for their final game of the season. For some it was just the end of another season, but for many of us it was the end of six short years of football through which we had worked very hard for the thing we wanted most – to play football.

Windber traveled to North Star for this final game, and the Ramblers scored at will against a very much outclassed Cougar team. Windber managed five touchdowns in 1½ quarters. The J.V. took over from there and managed to outscore North Star 13-0 setting the final count at 48-0.

There were many rough spots which the Ramblers had to come back from as any good team can. Even though there were a few disappointments during the season, the Mighty Ramblers had nothing to be ashamed of as they ended the year with a very fine 7-3 mark.

The outlook for the 1977-78 Rambler basketball team was a good one. With five returning lettermen, the team had the advantage of valuable experience.

But all was not that bright. Senior Bill Elko had a knee operation during football season and was not expected to return until Christmas. Senior guard Bob D'Arcangelo would also miss the first five or six games due to an appendix operation.

Using the kind of dedication and teamwork that has been a Windber tradition, the Rambler cagers put it all together. Led by Seniors Frank Tengeres and Keith Danel, the Ramblers breezed through their first seven games. They defeated Penn Cambria twice, 89-46 and 58-37, Forest Hills twice, 79-69 and 84-59, beat Somerset 80-68, bounced Bedford 79-37, and destroyed Westmont 88-51.

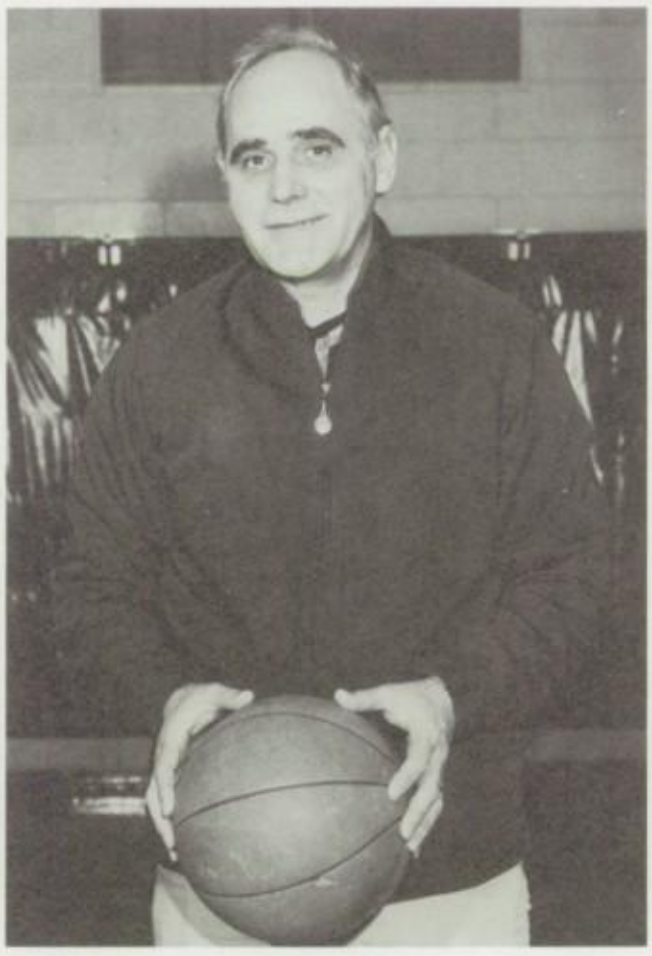
Next, the team traveled to Martinsburg where they met Central in a battle of the unbeaten. The game was close throughout, with the Ramblers keeping a three-point lead through most of the game. At the final buzzer, the Ramblers celebrated a 70-69 victory.

The Windber Rotary Tournament was next on the team's schedule. Despite a slow start and some poor shooting, Windber pulled together to dump Portage 72-58. The championship game was a rematch of last year's game. As the game progressed, things looked bleak for the Ramblers and very good for the Bishop Carroll Huskies. Windber was down by as much as thirteen points in the last quarter, but pulled the game out by a 45-43 score. Emery Kleban and John Mucciola earned spots on the All Tournament Team.

The Rambler Machine finally got cranked up again. Their next three games looked easy. The Ramblers crunched Somerset 100-65, bombed Vo-Tech 95-34, and trimmed Central Cambria 76-41.

Next was arch-rival Richland. The time for revenge had finally come. Remembering last years three losses to Richland, the Ramblers got fired up. Windber controlled the tempo of the game and came up with a critical 62-51 victory at the Rams gym.

Indiana was next to fall to the mighty Ramblers by an 82-55 score. Westmont and Cambria Heights gave the Windber cagers a battle, but both fell by 65-55 and 51-44, respectively. The Ramblers again conquered Vo-Tech, 110-60, and in a tough away game, nipped Central Cambria 50-48.



COACH: Joseph Flori

Next was the rematch with Richland. The Ramblers carried an eight-point lead into the last quarter, but lost it in the final minute and absorbed a shattering 47-45 loss.

The Ramblers showed the substance of a great team by rebounding from the defeat and trouncing Cambria Heights 62-42, and by trimming Indiana 60-55.

The Windber cagers ended the regular season with an outstanding record of twentyone wins and only a lone defeat. This ties for the best record Windber has ever had, and it will be a season to be long remembered.

The 1978 Stylus Staff gratefully acknowledges the cooperation and assistance of The Administration, Faculty, Services, and Students, Windber Board of Education, Dr. Landis, Mr. Alcamo, Cover Studio, Miss Kochinski, Mr. Lambert, Mr. Ripple, Mr. Urian, Mrs. Whitaker, and Mr. Yocca.

As the 1977-78 school year succombs it is now that we can realize the changes that have taken place within each one of us. The events and experiences in the past year will certainly have a direct influence on our lives in the future. But for the graduating senior the biggest change is about to take place. For many this step will present new situations and problems – an exciting challenge. So the 1978 Stylus Staff hopes that this book will provide a keepsake of all happy and melancholy memories of your years at WAHS.
